ALTERNATE DIPLOMA FOR STUDENTS WITH SIGNIFICANT COGNITIVE DISABILITIES

Certificate of Completion

A. PURPOSE. The purpose of this policy is to meet the requirements of the federal Every Student Succeeds Act ("ESSA") to establish and allow the awarding of a District Alternate Diploma to certain students with the most significant cognitive disabilities. Oyster River Cooperative School District uses a Certificate of Completion as an Alternative Diploma.

B. INTRODUCTION. Under ESSA, states may adopt alternate content standards and alternate assessments for students with the most significant cognitive disabilities. In states that have adopted such alternative content standards, ESSA allows local school boards to adopt policies allowing certain students with significant cognitive disabilities the ability to earn an Alternate Diploma based on the alternative content standards.

An Alternate Diploma provides students who may have ordinarily earned certificates of attendance, or completion under New Hampshire Administrative Rule Ed. 306.27(q), with the option to earn a diploma.

New Hampshire has adopted Dynamic Learning Maps (DLM) as an alternate assessment tool. The DLM assessment measures yearly student progress and provides independent standards which align with the NH Statewide Assessment.

Accordingly, this policy authorizes the Oyster River Cooperative School District to award an Alternate Diploma in accordance with the below requirements and conditions.

C. ELIGIBILITY.

Consistent with ESSA, the Alternate Diploma may be awarded to students who:

1. Have significant cognitive disabilities;
2. Have a current Individualized Education Program ("IEP"); and
3. Participate in the state authorized alternate assessment (currently DLM).

The Alternate Diploma is NOT available to students without IEP's, including students with Section 504 plans.

D. DETERMINATION OF AWARD.

The determination to award an Alternate Diploma is the responsibility of the student's IEP team, including the student's parent(s)/guardian(s). The IEP team's consideration of the appropriateness of an Alternate Diploma should be included in transition planning beginning at age sixteen (16). Details of this decision shall be included in the student's IEP transition plan in accordance with Ed. 1109.03.

E. TIME OF AWARD.

The student may choose (individually or through the IEP team) to receive the Alternative Diploma at one (1) of three (3) times:

1. At graduation with common age peers;
2. At the conclusion of the student's IEP; or
3. Upon reaching age twenty-two (-22).

If the student participates in the traditional graduation ceremony, the student will be included in the graduation program with no difference in listing from their peers awarded a regular diploma.

F. EFFECT OF AWARD AND CONTINUED ELIGIBILITY.

1. Under 34 CFR 300.102 (a)(3), the awarding of any document other than regular high school diploma shall not terminate a child's eligibility for a free and appropriate public education ("FAPE"). Accordingly, earning an Alternate Diploma does not end a student's eligibility for special education services. Rather, students who have earned the Alternate Diploma, and are otherwise, eligible for special education services, may continue to receive such services and may continue working towards meeting the requirements for the regular high school diploma.

2. Alternate Diplomas awarded under this policy are counted in the state graduation rate, while certificates of attendance or equivalency are not. The Oyster River School District counts them as a completer.

G. IMPLEMENTATION.

The Superintendent, with the assistance of the Director of Student Services is directed to establish and make procedures available to implement this policy.
