

Oyster River Cooperative School Board
Long Range Planning Committee Meeting

February 1, 2022, 7:00 pm via Teams

Committee Members Present: Heather Smith, David Taylor, Robert Mohr,
School Board Representative Present: Denise Day
Guest Present: Lisa Allison

The group reviewed the slides for the presentation to the School Board. Heather is scheduled to present at the March 2 School Board meeting.

Denise asked about the history of the group. David said the group has been in existence since the 1960's. He will look to see if he can find any information about the original charge.

The group discussed recruitment. Heather will reach out to members who have not attended recently to confirm whether they want to continue on the committee. Lisa noted that reaching out to ORPP (Oyster River Parents of Preschoolers) may be helpful.

The next meeting will be in the early fall.

The meeting adjourned at 7:50 pm.

Respectfully submitted,
Denise Day, School Board Representative
